To Whom It May Concern:

It is with great pride and pleasure that I am highly recommending Muhd Isamuddin Abd Wahab (Sam) as a candidate for employment. Sam worked in Learning and Development Solutions (L&D) at Verztec Consulting Pte Ltd under my supervision, the Project Manager from 27<sup>th</sup> February 2012 to 20<sup>th</sup> July 2012. I have been consistently impressed by his great personality, working attitude and performance as a developer and believe that he will be a valuable asset to any company, as he is one of the brightest employees that I have ever had.

Sam is bright, energetic, intelligent, organized, task oriented, and most importantly a person of integrity but with a wonderful sense of humor, making him a joy to work with. This upbeat personality that he has enables him to interact effectively with team members and other staffs.

During his tenure, I always found Sam to be positively reliable, creative and motivated, tackling all the assignments with the ultimate "can do" attitude, dedication and a smile. Moreover, he has exhibited a rare combination of speed and accuracy that has enabled him to produce high volume of works in a timely manner while maintaining high standards for quality and accuracy. Also, he follows instructions in a thorough and detailed manner and continuously takes initiative to go beyond the expected parameters of his job.

Truly, all the above has made Sam a very low maintenance employee that always works independently without close supervision. I volunteered to write this recommendation for Sam because I am very grateful for his contributions to my department and very confident that he has all to add value wherever he works. Please feel free to contact me if you have any questions about this outstanding young man.

Yours Sincerely,

Laurel Lee  
Project Manager, Learning and Development Solutions
